(f) The capital outlay projects for the Department of Correction, identified on page A-155 of the 2013-2014 Budget Document, include an amount of \$10,000,000 of capital projects fund residual funds which were from the Sentencing Act of 1985 appropriation source for a previous capital improvement project expanding the Southeastern Tennessee State Regional Correctional Facility. Such residual funds hereby are reappropriated in the year beginning July 1, 2013, for the purpose of funding the Bledsoe Correctional Complex Expansion project listed on page A-155.

(g) On or before October 1, 2013, the Commissioner of Finance and Administration shall submit a detailed financial report to the Chairs of the Finance, Ways and Means Committees of the Senate and House of Representatives and to the Chairs of the State and Local Government Committees of the Senate and House of Representatives concerning all activities of the Sentencing Act of 1985 reserve account (established and maintained pursuant to TCA, § 9-4-210) during fiscal year 2012-2013. The report shall indicate the account balance on July 1, 2012, and shall itemize all funds deposited into the reserve account as well as all funds allocated from the reserve account. For each such allocation from the reserve account, the report shall describe the purpose, amount and location of the allocation as well as any other information deemed to be informative by the Commissioner.

Item 13. From the appropriation made to the Department of Economic and Community Development for capital outlay grants to the Wacker Chemie AG Plant project in Section 1, Title III-32 of Chapter 554, Public Acts of 2009, the Commissioner of Finance and Administration is authorized to approve transfers to the FastTrack Infrastructure and Job Training Assistance program in the general fund.

Item 14. Capital improvement projects recommended for higher education institutions in the 2013-2014 Budget Document on page A-156 include funding partially from institutional sources. It is the legislative intent that such projects include an institutional matching component, applicable to the first \$75 million of project costs, at the following rates by type of institution: (a) universities, 25 percent; (b) community colleges, 10 percent; (c) non-formula units, 10 percent; and (d) technology centers, 5 percent. Matching funds may include gifts, grants, institutional funds, student fees, and other non-state sources. The provisions of this item shall not apply to the project

identified as Nissan Education and Training Facility in the Board of Regents projects and the UTK Steam Plant Conversion to Natural Gas at the University of Tennessee Knoxville campus.

The provisions of this paragraph are effective immediately, the public welfare requiring it: It is further the legislative intent that institutions of higher education be authorized to proceed with capital improvement projects funded in the 2012-2013 and 2013-2014 enacted capital outlay budgets by using Tennessee State School Bond Authority bonds as bridge funding for the institutional matching component, under guidelines of and subject to approval of projects by the authority, and that such bonds as may be authorized be canceled as the matching funds are raised.

Item 15. From the funds appropriated in Public Acts of 2012, Chapter 1028, Section 1, Title III-32, Capital Outlay, to the Department of Safety for the interoperable communication system upgrade, and in Section 71(b), Item 6(B) of Chapter 1108, Public Acts of 2010, to the Department of Safety for the highway patrol communication system capital outlay project, the Commissioner of Finance and Administration is authorized to transfer sums sufficient from the capital outlay fund to the general fund or systems development fund as required.

Item 16. From the appropriation made in Section 1, Title III-32, Item 4, of Chapter 1108, Public Acts of 2010, to the Department of Intellectual and Developmental Disabilities, to provide alternative residential settings for clients and plan for the future, the Commissioner of Finance and Administration is authorized to transfer sums sufficient to the general fund to provide for other transitional costs.

SECTION 3.

Item 1. Appropriations made under Section 1, Titles III-11 and III-16, for the operation of the state regulatory boards, shall be subject to allotment by the Commissioner of Finance and Administration, and no expenditure shall be made by any said boards out of fees collected by them unless and until such allotments have been made by the Commissioner of Finance and Administration. Such allotments for the operation of said respective boards as are made by the Commissioner of Finance and Administration shall be disbursed under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51.

The allotment hereinabove provided shall be subject to the condition that no money shall be paid therefrom for the salary of any employee of said boards unless and until such salary has been approved by the Commissioner of Human Resources. The appointment of all employees of said boards shall likewise be approved by the Commissioner of Human Resources.

Notwithstanding any provision of law to the contrary, no member of any board or commission established by law or pursuant to law, which receives an appropriation under this act, regardless of the source of funding, shall receive any compensation, whether denominated per diem or by whatever name called, except for days in which such member actually works four (4) or more hours performing duties directly relating to that board's or commission's activities, or for time or days spent attending meetings of that board or commission. The chair or head of each board or commission, the

department head to which such board or commission is attached administratively, and the Commissioner of Finance and Administration, shall prescribe procedures to contain, as a minimum, a certification of time worked by each member claiming compensation.

Item 2. Except as otherwise provided in this section, the appropriations to the Wildlife Resources Agency under Section 1, Title III-6, shall be paid out of the special fund established under Tennessee Code Annotated, Title 70, Chapter 1, Part 4 and Section 69-9-203. Such appropriations shall be expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51, and shall be used only for the expenses of the Wildlife Resources Agency pursuant to Tennessee Code Annotated, Title 70 and Title 69, Chapter 9, Part 2, and no part of the unexpended fund left at the end of the fiscal year shall be used for any other purpose but shall be carried over in said fund and may be expended during the next year, and all of said fees and revenues provided by Tennessee Code Annotated, Title 70 and Title 69, Chapter 9, Part 2, are herein specifically apportioned and appropriated to the use and for the benefit of the Wildlife Resources Agency to be expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51. Nothing in this item shall be construed as relieving the Wildlife Resources Agency of the duty of policing littering of lakes and streams.

Item 3. The appropriation to the State Board of Law Examiners in Section 1, Title II, Item 17, shall be from funds generated by fees collected by the board under the provisions of Tennessee Code Annotated, Title 23, Chapter 1.

In case the appropriation to the board shall prove inadequate to allow the board to function efficiently, the Commissioner of Finance and Administration may make an additional allotment thereto from the general fund, the total of all allotments to the board not to exceed the revenues paid into the treasury by the board.

Item 4. The appropriation to the Department of Financial Institutions in Section 1, Title III-12, shall be derived from banking fees assessed pursuant to Tennessee Code Annotated, Title 45, Chapter 1, Part 1. No part of the unexpended fees left at the end of the fiscal year shall revert to the general fund.

DEPARTMENTAL REVENUES

SECTION 4. All departmental revenues of every kind, as hereinafter defined, collected by any department, institution, office, or agency, in the course of its operations, for its own use, are hereby appropriated to it in addition to the specific appropriations made by this act, unless otherwise provided in this act or other provision of law. Federal aid funds granted to the state for the use of or to be administered by any department, institution, or agency, are likewise appropriated. For the purpose of this section "departmental revenues" are defined as (1) earnings or charges for goods or services; (2) donations, contributions or participation by political subdivisions, foundations, corporations, firms or persons. State revenues, in contradistinction to departmental revenues, are the proceeds of taxes, licenses, fees, fines, forfeiture or other imposts laid specifically by law.

Notwithstanding any provision of the previous paragraph, the Department of Health shall deposit all funds generated by fees or taxes collected by such entity in the general fund of the state. Any appropriations for the operation of such entity shall be subject to allotment by the Commissioner of Finance and Administration, and no expenditure shall be made by any such entity out of fees or taxes collected by it, unless and until such allotments have been made by

the Commissioner of Finance and Administration. Such allotments for the operation of such entity as are made by the Commissioner of Finance and Administration shall be disbursed under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51.

The departmental revenues and federal aid funds appropriated under this act shall include the amounts hereinafter set out:

The appropriation in this section to Claims and Compensation, Item 2.1, Unclaimed Property – Audit Settlement Fee, in the amount of \$2,890,500.00 may be increased or decreased to reflect the actual fee to be paid, and for such purpose, there hereby is appropriated a sum sufficient for payment of the audit settlement fee.

As provided in this section, in Item 8.4, Sentencing Act of 1985, the appropriation made in Public Acts of 2012, Chapter 1029, Section 1, Title III-7, Item 18, Sentencing Act of 1985, is

reduced in the amount of \$928,800.00 to reflect the additional operating cost at Southeastern Tennessee State Regional Correctional Facility for the Bledsoe County state prison expansion.

The appropriations in Item 10 of this section to Mental Health and Substance Abuse Services are funded from revenues and reserves available to the Mental Health Trust Fund pursuant to Tennessee Code Annotated, Section 12-2-117, for the purpose of transition costs, including build-out and other closure costs at Lakeshore Mental Health Institute.

The appropriation in Item 12.1 of this section for future Tobacco Master Settlement Agreement (MSA) revenue estimates is contingent upon receiving revenue from the Tobacco MSA diligent-enforcement arbitration settlement agreement, and the amount of the appropriation may be decreased to the amount of arbitration settlement revenue received, if the arbitration settlement revenue recognized at June 30, 2013, is less than \$5,700,000. If such arbitration settlement agreement revenue is recognized instead in the year beginning July 1, 2013, then the appropriation for future Tobacco MSA revenue estimates shall be established in the year beginning July 1, 2013, and such funds hereby are appropriated.

The Commissioner of Finance and Administration is authorized to allot and transfer these appropriations to the appropriate expenditure account within each department, agency or branch of government and to adjust authorized positions accordingly. The Commissioner of Finance and Administration is further authorized to adjust federal aid and departmental revenues accordingly.

SECTION 39. The provisions of this section shall take effect upon becoming law, the public welfare requiring it. SECTION 40. The provisions of this section shall take effect upon becoming a law, the public welfare requiring it. There is hereby appropriated a sum sufficient to recognize any accrued liability of the state and any obligations between state agencies at June 30, 2013, and federal aid and departmental revenues may be adjusted accordingly. This appropriation is subject to certification of the accrued liability and obligations between state agencies by the Commissioner of Finance and Administration to the State Comptroller.

Should this be insufficient to provide for the fifty dollar (\$50) match, there is appropriated in Section 1, Title III-10, of this act, the sum of \$2,838,100 to supplement funding for such match.

(4) There is hereby appropriated a sum sufficient from employer FICA tax savings from the Section 125 cafeteria plan maintained by the Board of Regents system to provide for the employer match to the state's 401(k) plan for employees of institutions under the Board of Regents system pursuant to TCA, Title 8, Chapter 25. Should this be insufficient to provide for the fifty dollar (\$50) match, there is appropriated in Section 1, Title III-10, of this act, the sum of \$4,328,500 to supplement funding for such match.

(5) The State Treasurer shall have the authority to contract with the optional retirement plan vendors to provide investment products to optional retirement plan participants under the state's 401(k) program.

SECTION 42.

(a) Notwithstanding any provision of the law to the contrary, no law of general application which imposes increased expenditure requirements on cities and counties in excess of one million dollars (\$1,000,000.00) shall take effect unless the state share of the cost of such law is specifically appropriated by the provisions of this act.

(b) From the growth in state-shared taxes apportioned to cities and counties and from the increase in local revenue generated from passage of any general law during the 2013 annual session of the 108th General Assembly not otherwise appropriated pursuant to this act, a sum sufficient hereby is appropriated to fund the state share of the cost of any law of general application which requires, without local discretion, that incorporated municipalities or county governments increase expenditures as a direct consequence of passage of any general law.

SECTION 43. The provisions of this section shall take effect upon becoming a law, the public welfare requiring it.

(c) From these amounts in paragraph "b" of this item, a recurring amount of \$400,000 shall be achieved by reducing the appropriations made in Section 1 to recognize savings achieved by mileage reimbursement reductions resulting from the motor vehicle management program, and the over-appropriation shall be reduced accordingly.

(d) It is the legislative intent that any reversion from higher education appropriations to the general fund balance at June 30, 2014, be drawn from the unexpended balance in the Tennessee Higher Education Commission and the Tennessee Student Assistance Corporation, but not from Tennessee Student Assistance Awards.

In the fiscal year ending June 30, 2013, the appropriations made in Section 1, Title III-17 of the 2012 Appropriations Act to the Department of Human Services to fund programs or services for temporary assistance shall be reduced in an amount equal to the unexpended and unobligated balances of the appropriations. The reductions shall be made to recognize over-appropriation savings in programs or services for temporary assistance in the fiscal year ending June 30, 2013.

Item 8. Pursuant to Tennessee Code Annotated, Section 67-6-103(k), there is apportioned from the general fund share of the sales and use tax into cities and counties state shared taxes for the County Revenue Partnership Fund the sum of \$1,000,000 in the fiscal year ending June 30, 2013 and the sum of \$1,000,000 in the fiscal year ending June 30, 2014. SECTION 62. Contingency Appropriations. Appropriations in Sections 1 and 38 of this act totaling \$67,600,000 are contingent upon the state's receiving revenue from the Tobacco Master Settlement Agreement diligent-enforcement arbitration settlement. Such amount is appropriated in Sections 1 and 38, and such additional sums as may be received from this source hereby are appropriated. Said appropriations, listed in priority order of funding, are:

Full funding of this appropriation is contingent upon the state's receiving \$29,700,000 or more of revenue from the arbitration settlement. If a lesser amount is received, but more than \$5,700,000, such lesser amount hereby is appropriated for this capital outlay project.

(3) An amount of \$37,900,000 in Section 1, Title III-22, Miscellaneous Appropriations, Item 29, Contingency Appropriation – Health and Wellness Initiatives (Tobacco MSA Source). This appropriation is contingent upon the state's receiving more than \$29,700,000 from the arbitration. For purposes of the Health and Wellness Initiatives, there hereby is appropriated from the cited line item a sum sufficient estimated to be \$37,900,000, but the appropriation shall

be increased or decreased as realized receipts from the arbitration justify; and, for such purpose, there hereby is appropriated to the Miscellaneous Appropriations, Health and Wellness Initiatives, such sum as may exceed \$67,600,000 from the Tobacco MSA arbitration settlement.

SECTION 63. Administration Legislation. From the appropriations in Section 1 and 4 of this act, the following amounts hereby are appropriated, and such additional or lesser amounts indicated in fiscal notes on cited legislation hereby are appropriated, for the purpose of funding the costs of implementing the cited legislation.
